Pièges & traquenards

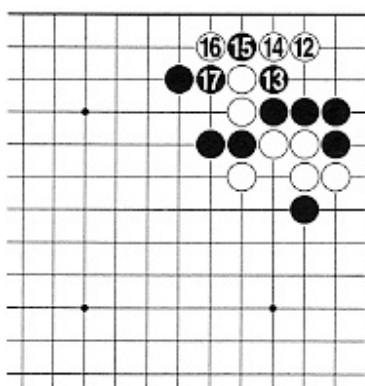

Pour inaugurer cette nouvelle rubrique, voici sans nul doute l'une des plus célèbres séquences *hamete*. Elle a été publiée sous le nom évocateur de « walls of steel » (murs d'acier) par Yoshio ISHIDA (1977, 1 : 27).

Le coin du bibliophile

Le célèbre ouvrage chinois « Wéiqí fa yáng lùn » fut publié pour la première fois en 1713. Il contient plus de deux cents problèmes de vie et de mort. Voici le problème 81.
